

indicated as 'JACjem,' but a Certificate of Correction was issued March 26, 1995 changing the title from " ROSE PLANT – JACjem" to "ROSE PLANT – JAClem."

At the time the application for U.S. Plant Patent No. 5,001 was filed, only the seedling number, 74-2681, was used for the designation of the plant, the name 'JACjem' being subsequently adopted.

The application is believed to be in condition for allowance and such action is respectfully requested. However, if the Examiner has any further questions, she is invited to call the undersigned.

Respectfully submitted,
